Dyiann,

Please make final hard copies of the attached UAO and SOW.

I put the concurrence folder that you made on your chair.

Please replace the SOW and UAO in the concurrence folder with the hard copies of the attached UAO and SOW.

Please insert a hard copy of the attached ROD as appendix A.

Please insert a hard copy of the attached map as appendix C.

Put a placeholder for Appendix D—a piece of paper that says “Administrative Record for UAO is being prepared”

Give the package to Mr. Purcell to sign off on.

Thanks

Jim
